

Having trouble choosing a training provider?

Contact the Academy for **FREE** expert impartial advice

Identifying the most suitable training provider can be a complicated task and the quality/suitability of your choice is often a worry. The Skills Academy is making this easier for employers by matching their skills needs with quality assured provision through our growing network of accredited training providers.

Our Matching Service will identify the accredited training provider that best suits the needs of your company.

What can the Academy do for me?

- We will help you to determine the type of training that you need
- We will identify the most suitable training providers to help you meet your company objectives
- We will identify suitable funding opportunities where available

Q. How much does it cost?

A. It is completely free for employers

Q. How can I get in touch?

A. You can contact the Matching team at the Academy on **0845 607 0140** to discuss your requirements, or you can download the training needs document and return a completed copy to the Academy and we will contact you, email: industry@process.nsacademy.co.uk

NEW: You can now book training online at www.process.nsacademy.co.uk/coursefinder
